7.03 European Map Directions

1. Create a title for your map and fill in your name, date, school, and facilitator.
2. Fill in your Map Key:
   a. Decide on three different colors (and shapes, if you choose) to represent the European Allies, Axis Powers, and Neutral Countries. For example bold blue font to represent the **Allies**.
   b. Decide on a color and shape to identify where the major battles took place (ideas include a red star or a yellow blast). 💥
3. Label the following countries on your PowerPoint map by inserting a text box for each country. Type the name of the country using the corresponding font color you chose to reflect Allied, Neutral, or Axis. Move the text box over the correct country on the map. Be sure the country name is clearly visible.

ALLIES	AXIS POWERS	NEUTRAL
United Kingdom (Great Britain, Scotland, and Ireland)	Germany	Republic of Ireland
France	Italy	Spain
USSR (Soviet Union, Russia)		Sweden
Belgium		Switzerland
Denmark		Portugal
Greece		
Netherlands		
Norway		
Poland		
Yugoslavia		
Czechoslovakia		
Estonia		
Latvia		
Lithuania		

4. Label the following major World War II European battles by inserting a blast or star shape in the correct location on the map. You may type the number that corresponds with the battle in the shape to indicate which battle you are labeling. Be sure the shapes and numbers are clearly visible.

Battles
1. Casablanca
2. Normandy
3. Battle of the Bulge
4. Stalingrad
5. Paris
6. Berlin
7. Tunis
8. El Alamein
