\*\*\* Note: Pop-ups will need to be allowed when using the *InformationLIVE* application.

- To allow pop-ups using Microsoft Internet Explorer, choose the following from the browser menu: Tools > Pop-up Blocker > Turn Off Pop-up Blocker
- To allow pop-ups using Mozilla Firefox, choose the following from the browser menu: Tools > Options > click on the Content icon > uncheck Block Pop-up Menus > click OK

## **(B) Workstation (Display)**

Display Resolution: All screens will be designed to look best when viewed at a resolution of 1024x768.

Please ensure that all workstations of school personnel (principal, counselor, ACCESS teachers, etc.) and ACCESS students meet these minimum specifications. We appreciate your patience and cooperation as ACCESS grows and introduces a more robust registration portal that will significantly reduce the time needed to register your students.
