

## SCORING GUIDE

Total Points: 20 Points

# 1.06 The Coordinate Plane Discussion Scoring Guide

---

## Total Points: 20

Visit the **1.06 The Coordinate Plane Discussion** and give an example other than the one in the lesson of where you have seen the coordinate system used and explain.

- **Do not repeat** any work provided by classmates.
- **Examine** the work provided by classmates.
- **Respond** to 2 classmates' posts for this discussion.

Post your method, as well as your response to classmates' posts in the **1.06 The Coordinate Plane Discussion**.

### Scoring Guide:

- **Initial post containing an example other than the one in the lesson of where you have seen the coordinate system used and explain.**  
= 10 points
- **Response to 2 classmates' posts = 10 points (5 points each)**
