

6.02 Identity Theft Discussion Scoring Guide

Total Points: 15

After you complete your PSA for the 6.02 Preventing Identity Theft assignment, it's time to share it with your classmates! Go to the **6.02 Identity Theft Discussion** and submit your PSA product.

Review your classmates' work. You should offer meaningful feedback to at least two of your peers. Your responses may address the following (but you aren't limited to these):

- Tell them what you liked and identify things they did well. Be specific!
- Offer constructive criticism on things they could improve about their PSA.
- Did you learn anything new about this topic from their PSA? If so, what?

Scoring Guide:

- **5 points for submitting their 6.02 Preventing Identity Theft PSA creation**
- **10 points for providing meaningful feedback to at least two classmates; responses should be detailed and specific to the individual's work and should provide thoughtful, useful critique**
