

# 1.01 Scarcity in the News Discussion Scoring Guide

---

## Total Points: 15

There seems to be disagreement over whether or not the world is running out of resources. Read the articles below to learn more, in order to form an opinion about this topic. (Articles are linked on the Task page.)

- The six natural resources most drained by our 7 billion people, *The Guardian*
- 2030: A "perfect storm" of global resource shortages, *CNBC*

After reading the articles, go to the 1.01 Scarcity in the News Discussion and post your thoughts about our world's resources and what needs to be done, if anything, to sustain them.

Next, read your classmates' posts and respond to two of them.

### Scoring Guide:

- 10 points for original post that fully addresses the prompt
- 5 points for responding to your classmates
