

5.02 Unemployment Discussion Scoring Guide

Total Points: 20

Go to the **5.02 Unemployment Discussion** and write a post answering this question: Are you satisfied that the unemployment rate is coming down, or are you concerned with the drop in the labor force participation rate?

You may use the video [Why Unemployment Number Doesn't Tell Whole Story](#) (2:45) to help support your answer.

After posting your short paragraph answer, read over your classmates' responses. Select two peers and write responses to their posts. Provide meaningful feedback to each of them.

Scoring Guide:

- **Original post fully addressing the prompt = 10 points**
- **Thoughtful, complete responses to at least two classmates = 10 points**
