If you have a print copy of the book you may use it as you study. If not, you can view or download a PDF version of the textbook.</p> <p>Important Note: This course was developed using the OpenStax textbook Principles of Macroeconomics for AP Courses 2e. However, effective June 2023, the 2e version is no longer available online and has been replaced with version 3e. As a result, many links in Units 1-4 now point to the 3e version, while the PDF option links to the 2e version. Other than the chapter numbers, the differences between 2e and 3e are minimal. We are working to reconcile the versioning and will update you as we receive more information.</p> <p>AP Classroom</p> <p>AP Classroom is a free and flexible online platform that provides instructional resources for each AP course to support student learning of all course content and skills.
