

ASSURANCE AGREEMENT

By signing and dating this assurance agreement, the principal and school counselor verify that the statement below is accurate:

Our school _____, its employees, and its contractors, will comply with the Family Educational Rights and Privacy Act (FERPA), as amended, and its implementing regulations to ensure the privacy of student education records.

The school ensures that each enrolled ACCESS student for school year _____ will complete the ACCESS Student Orientation that is incorporated into each course.

Documentation will be made available, if requested, to ACCESS staff.

The school is aware that students will be removed from courses at the drop period for inactivity and / or inadequate progress.¹
